

**MADE IN DUNDEE | DESIGNED FOR ADVENTURE**

## DISCOVERY POINT | CONFERENCES AND EVENTS

With the most sought after view in Dundee, overlooking RRS *Discovery*, the River Tay and the new V&A Museum of Design Dundee, Discovery Point is the perfect venue for meetings, conferences and seminars and will not fail to inspire your clients.

Centrally located, just opposite Dundee railway station, 1 mile from Dundee airport and with adjacent parking, Discovery Point is a very accessible venue. With excellent facilities, which have recently been refurbished, combined with top class customer care Discovery Point prides itself with a reputation for delivering the highest quality of events and conferences.

### FALCON SCOTT SUITE (120m<sup>2</sup>)

Our main conference room is bright, spacious and flexible and has spectacular views over the River Tay, RRS *Discovery* and V&A Dundee. This room has a fitted remote controlled screen and wired-in data-projector and can accommodate up to 110 delegates theatre-style.

### TERRA NOVA ROOM (40m<sup>2</sup>)

The Terra Nova Room is adjacent to the Falcon Scott Suite, separated by a moveable partition, combined, these rooms can accommodate 150 delegates. This room is well suited for presentations as it has a fitted 60" large plasma screen with an integrated AV suite.

### THE DISCOVERY SUITE (110M<sup>2</sup>) | THE SHACKLETON ROOM (60M<sup>2</sup>)

These recently renovated rooms are on two levels, completely separate spaces and can be used for additional break-out areas for larger conferences or individually for private meetings. Fitted with large plasma screens and integrated AV suite, these contemporary rooms provide the latest technology in a cool and edgy environment.

### UPPER MEZZANINE FOYER

This area is bright, spacious and perfect as a space for circulation and networking during coffee and meal breaks. A flexible space which can also be used by exhibitors to display products and banners. This area also has a fixed plasma screen which can be used by conference organisers.

The conference rooms all have dedicated hi-speed WiFi for organisers and delegates.
